SWEET LIVING FACILITY INC.,
JOSE MACHADO,
ZELMIRA QUINONEZ, AND
AMINTA QUINONEZ,

Defendants.

_____ /

PLAINTIFF'S FIRST REQUESTS FOR PRODUCTION TO DEFENDANTS

Plaintiff, Maria Elena Chavez Letona, pursuant to Fed. R. Civ. P. 26 and 34, Local Rule 26.1, and other applicable Rules and laws, requests that Defendants, Amor de Jesus Corp., Sweet Living Facility, Inc., Jose Machado, Zelmira Quinonez, and Aminta Quinonez produce the following documents and materials at the office of the undersigned within 30 days hereof:

INSTRUCTIONS

1. You are required to supplement your Response(s) to this Request during these proceedings.
2. If, in responding to this Request, the responding party encounters any ambiguities when construing a request or definition, the response shall set forth the matter deemed ambiguous and the construction used in responding.
3. Whenever in this Request you are asked to identify or produce a document which is deemed by you to be properly withheld from production, inspection, or copying:

A. If you are withholding the document under claim of privilege (including but not limited to, the work product doctrine), please provide the information set forth in Fed. R. Civ. P. 26(b)(5), including the type of document, the general subject matter of the document, the date of the document, and each other information as is sufficient to identify the document, including, where appropriate, the author, addressee, custodian and any other recipient of the document, and where not apparent, the relationship of the author, addressee, custodian, and any other recipient to each other, in a manner that, without revealing the information claimed to be protected, will enable this party to assess the applicability of the privilege or protection claimed by you;

B. If you are withholding the document for any reason other than an objection that it is beyond the scope of discovery or that a request is unduly burdensome, identify as to each document and, in addition to the information requested in paragraph 2.A. above, please state the reason for withholding the document.

4. When a document contains both privileged and non-privileged material, the non-privileged material must be disclosed to the fullest extent possible without thereby disclosing the privileged material. If a privilege is asserted with regard to part of the material contained in a document, the party claiming the privilege must clearly indicate the portions as to which the privilege is claimed. When a document has been redacted or altered in any fashion, identify as to each document the reason for the redaction or alteration, the date of the redaction or alteration, and the person performing the redaction or alteration. Any redaction must be clearly visible on the redacted document.

5. It is intended that this Request will not solicit any material protected either by the attorney-client privilege or by the work product doctrine that was created by, or developed by, counsel for the responding party after the date on which this litigation was commenced. If any

Request is susceptible of a construction that calls for the production of such material, that material need not be provided and no privilege log pursuant to Fed. R. Civ. P. 26(b)(5) will be required as to such material.

6. If production of any requested document(s) is objected to on the grounds that production is unduly burdensome, describe the burden or expense of the proposed discovery.

7. Plaintiff reserves the right to request to view the original of any copy of a document provided in response to this Request.
